After School Program:

By accepting this financial scholarship to provide after school care to my child/ren, **I agree to pay on time the remainder of the cost for the program not covered by Indian River Habitat for Humanity.** I agree to pick my children up on time from their after school program. I agree to give Habitat for Humanity a copy of my child's final grade card and give IRHFH permission to inquire on my child's/children's attendance at their program. If my child misses more than 5 days a month in the after school program without a reasonable excuse i.e. prolonged illness, tutoring, mentoring my financial assistance will be terminated.

I understand that in return for this after school assistance, IRHFH will be receiving quarterly progress reports on my child's attendance and behavior, and I give my permission for them to do so.

I also give Indian River Habitat permission to take photos of my children during the after school program to use for promotion of the program and for supporting documents in future grants.

I understand that if my home goes into a deed in lieu or into foreclosure proceedings, I lose the privilege of receiving after school financial assistance from Indian River Habitat. I will be solely responsible for the complete (100%) monthly payments of the after school care for my children if any of these occur.

I understand that if my child violates the rules of the after school care program, and he/she gets terminated from the program we will have to reapply for financial assistance for any other program, and prove that the issue has been resolved.
